Dear Sorlie Bonkay Sillah ,

We are pleased to inform you that you have been selected for the internship at Christex Foundation. We believe that this opportunity will provide you with valuable experience and exposure to the world of Solana development.

### Details of the Internship:

**Duration:** The internship will commence on the 12th of September and conclude three months later on the 8th of December.

**Working Hours:** You are expected to be on-site from Monday to Friday, between 10:00 AM and 4:00 PM.

**Attendance:** Regular attendance is crucial for the success of this internship. If you are consistently absent without a valid reason, your internship will be terminated.

**Punctuality:** Lateness will not be tolerated. It's essential to respect the time and commitment of the team.

**Dedication:** During your internship hours, you are expected to dedicate 100% of your time to the tasks assigned to you. Engaging in other work during this time is strictly prohibited and may result in termination.

**Stipend:** A weekly stipend will be provided in USDC, which should adequately cover your food and transportation expenses.

**Learning Objective:** The primary focus of this internship is to develop on Solana. You will have the opportunity to work on an idea of your own or choose from a list of projects that we have prepared.

**Outcome:** A successful internship will culminate in you, either individually or as a group, presenting your project at a hackathon.

**Work Environment:** You will be joining a professional work environment. Adherence to our ethics, rules, and regulations is mandatory.

**Effort:** We value dedication and hard work. If we notice a lack of effort on your part, you will receive a warning. Accumulating three warnings will result in the termination of your internship.

We are excited to have you on board and look forward to the innovative contributions you will bring to Christex Foundation.

Please confirm your acceptance of this internship offer by returning a signed copy (your signature and a signature from your lecturer/department head) of this acceptance letter.

Congratulations, and welcome to the Christex Foundation family!

Warm regards,

Colin Ogoo
